

Hoodie Tech Pack

A tech pack is the blueprint your manufacturer builds from. Fill in what you can — even a partial pack gets you a faster, more accurate sample. Leave the rest blank and we'll help you complete it during sampling.

1. Style summary

Brand		Style name	
Style number		Season / drop	
Designer		Date	
Version		Sample size	
Garment type		Fit	
One-line description			

2. Technical sketch

Paste or draw a front and back flat sketch. Mark the hood panels, pocket position, drawcord exits, rib heights and any print or embroidery. The grey outline is a guide to draw over.
