COLLECTIVE STUDIO · FREE SWEATSHIRT TECH PACK TEMPLATE

Sweatshirt Tech Pack

A tech pack is the blueprint your manufacturer builds from. Fill in what you can — even a partial pack gets you a faster, more accurate sample. Leave the rest blank and we'll help you complete it during sampling.

1. Style summary

Brand		**Style name**	
Style number		**Season / drop**	
Designer		**Date**	
Version		**Sample size**	
Garment type		**Fit**	
One-line description			

2. Technical sketch

Paste or draw a front and back flat sketch. Mark the neck rib, any V-insert, where the shoulder seam sits, the rib heights and any print or embroidery. The grey outline is a guide to draw over.

Front view	Back view
	

3. Bill of materials (fabric & trims)

Material	Placement	Composition	Weight/GSM	Colour	Supplier
Main fabric					
Rib					
Neck tape					
Thread					
Print ink					

Tip: if sustainability matters, state the certification you need (e.g. organic cotton under a GOTS certification) and ask to see the certificate.

4. Colourways

Colourway name	Pantone / TCX	Body	Rib / trim	Print

5. Points of measure (size chart, cm)

Measured flat, in centimetres. Fill the sample-size column (M here) first; the tolerance is the +/- the factory may vary by.

Point of measure	Tol.	XS	S	M	L	XL	2XL
Chest width (2.5 cm below armhole)							
Body length (HPS to hem)							
Shoulder width							
Armhole (straight)							
Bicep (2.5 cm below armhole)							
Sleeve length (shoulder point to cuff edge)							
Cuff width, relaxed							
Cuff height							
Hem rib width, relaxed							
Hem rib height							
Neck width (seam to seam)							
Front neck drop (HPS)							
Back neck drop (HPS)							
Neck rib height							

6. Construction & stitching

Area	Stitch / seam type	SPI	Notes
Neckline			
Back neck			
Shoulder seam			
Sleeve attach			
Side seam and underarm			
Cuffs and hem rib			

7. Labels & branding

Item	Type / material	Placement	Artwork ref
Main / neck label			
Care + content label			
Size label			
Hang tag			
Print / embroidery			

8. Packaging

Element	Specification
Fold method	
Polybag / tissue	
Barcode / sticker	
Carton / master pack	

9. Order & approvals

Qty per size/colour		**Total units**	
Target launch date		**Approved by**
